September 13, 1978

Dear John,

STAT Please accept this belated expression of thanks for your kind words of support which were recently conveyed to me by [redacted]. I have been following with interest the continued press play on the subject. I was amused to read the following headline recently in the New Haven Register: "Harvard Raps CIA Recruiting; No Hassle at Yale"!

Yours,

STANSFIELD TURNER

Dr. John R. Hogness
President
University of Washington
Seattle, Washington 98195

Please note this is a DCI "action" cable.
